Join Us for Se

Welcome to
Cypress College!

Complete your "Gen Ed,"
then Transfer to a
University as a Junior

campus, and more than 32%
who complete bachelor's deg
the University of California
their higher education at a
college.

Here at Cypress College we are
committed to providing accessible,
affordable, quality education for
everyone in the belief that education is
transformational.

services program to help our students
succeed.

Cypress College's sm
and caring master teach
success of our students.
your first two years of
College, you are much
be accepted into the
select, rather than ha
a different campus.

Statistically, college graduates
earn more money than high school
graduates. As a new Cypress College
student, you can earn a degree, prepare
for transfer to a four-year college, or
gaining technical skills, training for
your career.

Our Library/Learning Resources
Center is one of the newest buildings
on campus and our recently opened
Student Center provides a single
location to serve your enrollment
needs.

We look forv
here at Senior Da
fall!

At Cypress College, student
learning is our highest priority. With
that in mind, we offer a robust student

The tremendous track record
of California's community colleges as
institutions that provide unparalleled
career technical education is no secret.

Perhaps lesser known — but just
as important — is why Cypress College
may be the **BEST** educational option
for university-bound students. Fully
60% of all students who earn bachelor's
degrees at a California State University
