

Rote Worship

Learn a skill through repetitious practice. Do it over and over again until it becomes an automatic response – no thinking or decision-making is necessary.

Once it becomes automatic, it becomes very easy to disengage the head and heart, and do it out of habit alone.

1. Isa 29:13-14

The Lord says:

“These people come near to me with their mouth and honor me with their lips, but their hearts are far from me. Their worship of me is based on merely human rules they have been taught.

14 Therefore once more I will astound these people with wonder upon wonder; the wisdom of the wise will perish, the intelligence of the intelligent will vanish.”
